VIDEO TESTIMONIAL  
OF TOPPERS

Mr. Anand Jaiswal is a visionary Educator and a renowned Physics Guru of National repute with an illustrious career spanning over 25 years. He has mentored numerous top rankers, including Jitendra Reddy (AIR-1 in IIT-JEE 2010, now JEE ADVANCED), Shubham Lalwani (AIR-1 in AIEEE 2011, now JEE MAIN) etc.

Beyond his teaching expertise, Mr. Jaiswal has held prestigious leadership positions such as Head of Department, Associate Director etc. at esteemed Coaching institutions in Delhi, Kota and Hyderabad. This combination of teaching and management excellence makes him one of the most experienced directors in the Education sector.

In 2011, he brought his vast experience to Bihar by laying the foundation of Mentors Eduserv in Patna with the goal of providing quality education to students across the state. Under his leadership, Mentors Eduserv has evolved into a comprehensive learning hub, offering specialized preparation not only for JEE (MAIN & ADV.), NEET but also for NTSE, OLYMPIADS and BOARD exams.

His visionary approach has transformed Patna into a central hub for Competitive exam preparation, significantly reducing the migration of talented students to cities like Kota and Delhi. Mentors Eduserv has also expanded its reach to Jharkhand, continuing its commitment to producing exceptional results from Jharkhand too.

As a respected leader, Mr. Jaiswal has shared his insights on platforms like "TEDx" and "Josh Talks", inspiring students and educators alike. His dedication to excellence and innovation in education has cemented his legacy as a trailblazer in the field of competitive exam preparation.

# DIRECTOR'S MESSAGE

**ANAND JAISWAL (Founder & Director)**  
Physics Guru of AIR-1 (IIT JEE-2010), AIR-1 (AIEEE-2011)  
and Other Top Rankers

**25 YEARS+**  
OF TEACHING EXPERIENCE

**20 YEARS+**  
OF EXPERIENCE IN  
TOP MANAGEMENT ROLE

Dear Students & Parents,

Welcome to the universe of Mentors Eduserv, a name synonymous with quality education and unwavering commitment to nurturing young minds. Our journey began with a simple yet powerful vision, to provide IIT-JEE and Medical aspirants in Bihar access to quality education within their own state.

I take immense pride in sharing that over the past 13 years, Mentors Eduserv has helped thousands of students fulfill their dreams of entering India's top IITs and Medical colleges. By fostering a culture of excellence, we have not only delivered outstanding results in Bihar but also expanded our footprint to Jharkhand. Today, we are proud to bring our proven approach to cities like Patna, Bhagalpur, Saharsa, Gaya, Muzaffarpur, Purnea, Ranchi & Bokaro, helping students thrive in their academic pursuits without leaving their hometowns.

At Mentors Eduserv, we believe that every student is unique and success lies in unlocking their individual potential. Our "Individual Mentoring System" stands as a testament to this belief, providing personalized attention, guidance and strategies tailored to each learner's needs. From a pattern-proof teaching methodology to meticulously designed courses, quality study materials and advanced testing tools, every aspect of our academic framework is engineered to ensure success.

Innovation remains at the heart of what we do. As we move forward, our appetite to serve students better continues to grow. With a strong foundation in offline teaching and now also through online and hybrid models, we are evolving to meet the changing educational landscape and serve to students far and wide.

Our goal is not just to prepare students for exams but to empower them for life. We instill confidence, discipline and a passion for learning, ensuring they emerge not just as achievers but as leaders in their chosen fields.

I extend my heartfelt gratitude to the students and parents who have trusted us on this journey. On behalf of my dedicated and efficient academic & administrative team, I assure you of an enriching and unparalleled learning experience. Let us work together to shape the future and turn dreams into reality.

With Regards,

Anand Jaiswal

# WHY ONLY MENTORS EDUSERV ?

## MR. ANAND JAISWAL: A PIONEER IN EDUCATION AND LEADERSHIP

Our Director, Mr. Anand Jaiswal, is a distinguished Physics Guru with over 25 years of teaching excellence, mentoring top rankers such as Jitendra Reddy (AIR 1 in IIT-JEE 2010, now JEE Advanced) and Shubham Lalwani (AIR 1 in AIEEE 2011, now JEE Main). Mr. Jaiswal has also served in prestigious leadership roles, including Head of Department and Associate Director, at renowned coaching institutions in Delhi, Kota, and Hyderabad. He has 20+ years of experience in top management roles, including his role as founder and director of Mentors Eduserv. He stands out as one of the most experienced and unique leaders in the education sector with his 25+ years of teaching experience and 20+ years in top management roles.

His combined expertise as a teacher and management leader enables Mentors Eduserv to provide the best facilities for students, resulting in outstanding success in JEE, NEET, Olympiads, and other competitive exams.

Through his dedicated efforts over the last 13 years since the inception of Mentors Eduserv, Patna (Bihar) has emerged as a thriving educational hub.

## MENTORS EDUSERV: MOST AWARDED COACHING INSTITUTE OF EASTERN INDIA

Mentors Eduserv has been recognized as the most awarded coaching institute in Eastern India, commended by renowned media networks such as The Times Group, Dainik Bhaskar, Dainik Jagran, Hindustan, and The Economic Times etc.. These prestigious accolades include awards for academic excellence, outstanding contributions to education, and being the leading brand in engineering and medical exam preparation. Recognitions like the Guru Shiksha Samman, Icons of Excellence, and Big Impact Awards underscore our commitment to quality education in JEE, NEET, and Olympiads.

These achievements reflect the trust and support of our students and parents, reinforcing Mentors Eduserv's position as a leader in shaping academic success.

## PATNA (BIHAR) HEADQUARTERS: THE CORE OF MENTORS EDUSERV'S SUCCESS (LOCAL FOCUS, NATIONAL RESULTS)

Mentors Eduserv is proud to have its headquarters in Patna, making it a center of academic and administrative excellence in the region. Unlike most other coaching institutes in Patna, which operate as franchises or branches of organizations headquartered elsewhere, Mentors Eduserv is led directly from its head office in Patna. This unique advantage helps the institute deeply understand and address the specific needs of students in Bihar & Jharkhand.

Being based in Patna allows Mentors Eduserv to take a hands-on approach to teaching, mentoring, and management, fostering stronger connections with students and faculties. This localized focus has resulted in consistently high success rates, setting Mentors Eduserv apart from other institutes. Its close proximity to its student base enables the development of customized strategies and innovative teaching methods, reinforcing its position as a leader in competitive exam coaching in Bihar & Jharkhand.

## MENTORS EDUSERV: FOCUSED EXPERTISE FOR SUPERIOR RESULTS IN JEE/NEET/NTSE/OLYMPIADS/BOARDS

While many coaching institutes branch out into areas like UPSC, commerce, general competitions, and skill development, Mentors Eduserv stays focused on JEE (Main & Advanced), NEET-UG, Olympiads, and Board exams. Our specialization in Physics, Chemistry, Mathematics, and Biology allows us to provide expert, in-depth guidance in these key subjects.

This dedicated approach ensures we deliver superior quality education and consistently better results. By staying true to our core expertise, Mentors Eduserv remains a trusted choice for students aiming for success in engineering, medical, and Olympiad-level competitions.

# WHY ONLY MENTORS EDUSERV ?

## PROVEN TRACK RECORD OF EXCELLENCE

With over 13 years of offline coaching including 4+ years of online, and hybrid teaching, Mentors Eduserv has become a leader in competitive exam preparation. Our commitment to academic excellence is reflected in the remarkable achievements of our students:

- 23 state toppers in JEE Main, JEE Advanced, and NEET, achieving the best ranks in Bihar and Jharkhand.
- Highest selections in Bihar & Jharkhand for JEE Main and JEE Advanced, with 7,100+ selections in JEE Advanced and 33,000+ in JEE Main.
- Consistently producing top selections in IOQM, NSE, and NSEJS Olympiads conducted by HBCSE, leading Bihar & Jharkhand in performance.
- Over 20,000+ selections in NEET, demonstrating excellence in medical entrance exams in Bihar & Jharkhand.

These successes are the result of our strong academic system, the expert guidance of our experienced faculty, and the visionary leadership of Mr. Anand Kumar Jaiswal, who brings 25+ years of teaching experience and 20+ years in top management roles.

Our state-of-the-art infrastructure, tech-enabled systems, and innovative teaching methodologies empower students with the best preparation, ensuring exceptional results and satisfaction.

Join us to be a part of this success story and take a bold step toward your academic dreams. Trust the one who has proven track record of excellence.

## EXPERIENCED & PROFICIENT FACULTY

Under the guidance of our Director, Mr. Anand Kumar Jaiswal with 25+ years of teaching experience our faculty includes experts from educational hubs like Kota, Delhi, and Hyderabad, with a proven track record in JEE Main, JEE Advanced, NEET, NTSE, and Olympiads.

We prioritize the quality of teaching and maintain the highest standards through a rigorous recruitment process, including written tests, teaching demos, student feedback sessions, and personal interviews by Mr. Anand Jaiswal. New teachers are also provided with lecture notes and videos from our expert and senior faculty to ensure consistency and excellence in teaching.

With comprehensive training and access to expert resources, we ensure students receive the best guidance to excel in their academic journey.

## TECH-ENABLED LEARNING

Mentors Eduserv blends traditional classroom teaching with advanced technology to deliver a superior learning experience. Using digital boards, instant class recordings, and PDFs of board work, students can revisit lessons with ease. Through the MeDigital App, resources like online tests & online doubt-clearing session make all offline facilities accessible online, at no extra cost, ensuring a seamless hybrid education model.

## TIMELY COURSE COMPLETION: THE KEY TO SUCCESS

At Mentors Eduserv, we understand that timely course completion is crucial as it provides students with ample time for revision and practice, essential for mastering concepts. To achieve this, we implement meticulous planning at the start of each batch and regularly monitor syllabus progress through our dedicated course tracking team, ensuring alignment between teachers and students.

In addition, all tests are planned in advance and synchronized with the syllabus to keep students and teachers focused and on track. For our top batches, such as Achiever and Star, the syllabus is completed even earlier, allowing students to dedicate time to advanced-level practice and prepare for top ranks in competitive exams.

## EXCELLENCE IN BOARD AND COMPETITIVE EXAMS

At Mentors Eduserv, our expert guidance and rigorous training programs are tailored to help students excel not just in competitive exams like JEE and NEET, but also in Board and school exams.

We understand the importance of a strong performance in school and board exams as it builds the foundation and confidence needed for future competitive exams. To achieve this, we teach concepts starting from the basic level, gradually progressing to higher-level concepts and extensive practice. Since a strong understanding of basics is essential for advanced topics, this approach ensures comprehensive learning.

Additionally, we conduct board-pattern tests, evaluate answer sheets with step-by-step marking, and provide constructive feedback to improve accuracy and presentation. This dual focus on subjective board exams and objective competitive exams ensures students are equally prepared for both challenges.

With this holistic approach, Mentors Eduserv enables students to excel in every aspect of their academic journey.

\*We are aware that the NTSE has been suspended since 2020-2021 but may resume in the future. This is why Mentors Eduserv continues to prepare students for NTSE. Additionally, NTSE preparation enhances critical thinking, problem-solving, and a deep understanding of Mathematics and Science, offering significant benefits for competitive exams like JEE and NEET.

<b>INTEGRATED CATAPULT [CP]</b>  [for Students going to Class 10 in 2025]  [3 Year Classroom Program]	<b>Aims &amp; Objectives :</b> Scoring high marks in School Examinations. Selection in NTSE, JUNIOR SCIENCE OLYMPIAD & MATHEMATICAL OLYMPIAD (optional). Solid Foundation for grabbing Top Ranks in JEE, NEET & OLYMPIADS.  <b>Duration Classes :</b> 3 Year Classroom Program.  <b>Class Timing :</b> In Class 10: 3 Classes per day (any three of Physics, Chemistry, Maths, Biology, Mental Ability, English & S.ST)   In Class 11 & 12: refer page 14 In Class 10: 04:30 PM - 07:50 PM   In Class 11 & 12: 07:30 AM - 01:35 PM / 03:40 PM - 07:55 PM. Students may be called for more days and more classes during summer & winter Holidays & Sundays at different timings. Class timing may vary city wise.  <b>Course Completion :</b> Full Class 10 with some topic of higher class : Oct. 2025, Full Class 11: Oct./Nov. 2026, Full Class 12: Aug./Sep. 2027 [After Course Completion: Monitored Revision Schedule with Revision Tests + Revision Classes +Test Series with discussion (Sep./Oct. 2027 till JEE ADV./NEET 2028)]

The course descriptions for our top batches(Achiever Batches and Star Batches) are different . Please refer to pages 28 for detailed information.

**Benefits of Integrated Classroom Program:** Many topics in Class 8th to 12th in Math, Physics, Chemistry & Biology are interrelated and are common. So in Integrated Classroom program we will teach in lower classes in such a way that higher class concepts of the chapters are also covered . The class syllabus will be completed early and the next higher class syllabus will be introduced to follow the early course completion schedule.

Note: We have pre-scheduled course plan to complete course early on time with most efficient course tracking team. The Course completion dates mentioned above are tentative. There may be minor deviations due to unavoidable circumstances. Classes and Doubt session timings may be changed depending on various circumstances.

\*We are aware that the NTSE has been suspended since 2020-2021 but may resume in the future. This is why Mentors Eduserv continues to prepare students for NTSE. Additionally, NTSE preparation enhances critical thinking, problem-solving, and a deep understanding of Mathematics and Science, offering significant benefits for competitive exams like JEE and NEET.

# A GLIMPSE INTO THE MENTORS EDUSERV LEARNING JOURNEY

ORIENTATION SESSION

A brief introduction about the system at MENTORS EDUSERV to the parents and students before the commencement of Session

Students selected in JEE MAIN & JEE ADVANCED  
are felicitated by our Director, Mr. Anand Jaiswal

Students selected in NEET are felicitated by our Director, Mr. Anand Jaiswal

SCAN TO VIEW OUR  
ACADEMIC SERVICES

SCAN TO VIEW OUR  
CORPORATE OFFICE

## EXPERIENCED EXPERT FACULTY

Mentors Eduserv strength lies in its unmatched quality of teaching methodologies and a team of renowned Faculty members of National repute. The Faculty team led by our Founder & Director, Mr. Anand Jaiswal (**Guru of AIR, 1, 2, 3, 4, 8....in IIT JEE**) himself comprises of experienced best brains brought together from various educational hubs of the Country like Kota, Delhi and Hyderabad. This Faculty team has experience in producing great results over the years in JEE ADVANCED, JEE MAIN, NEET and other Competitive Examinations at National level like NTSE\* & OLYMPIADS. Their mentoring has facilitated several students to secure top All India Rank.

## TEACHING METHODOLOGY

The Course flow is designed to ensure the students about achieving proficiency in the Subjects Physics, Chemistry, Mathematics/Biology, so that they become confident enough for their future course of action of becoming an Engineer or a Doctor. Each topic is covered firstly at basic level. Then higher level concepts are taught. Also, practice of problems are done firstly at basic level and then at higher JEE MAIN/JEE ADVANCED/NEET level. Students who are interested for Olympiads are given special training. This helps the student to perform good in various Competitive Examinations like JEE (MAIN & ADV.) / NEET, NTSE\*, MATH & SCIENCE OLYMPIADS along with BOARD Exam.

Special Training for Olympiad Success Starting from the 2025-26 academic year, IIT Kanpur will introduce a new admission pathway for its BTech and BS programs, exclusively for students excelling in international Olympiads. To help students seize this opportunity, Mentors Eduserv is providing specialized training, customized study materials, and targeted tests designed to prepare them for Olympiad-level challenges and achieve exceptional results.

## PROFESSIONALLY MANAGED EFFECTIVE ADMINISTRATIVE SYSTEM

At Mentors, apart from best teachers, you will experience competitive & professionally managed disciplined environment. Mentors is proud to have one of the largest air-conditioned infrastructure amongst all coaching institutes of Eastern India which facilitates smooth conduction of various activities we undertake for student's welfare. We have 7 Centres in Patna (4 at Boring Road, 1 at Kankarbagh, 1 at Bazar Samiti & 1 at Bailey Road), 1 Centres in Bhagalpur, 1 Centre in Saharsa, 1 Centre in Gaya, 1 Centre in Muzaffarpur, 1 Centre in Purnea, 1 Centre in Ranchi & 1 Centre in Bokaro. Our expert administrative system takes care of student's welfare, student-teacher interface and regular interactions with students & parents with utmost attention.

## PATTERN PROOF COURSE DESIGN

We have designed the Course wherein the initial phase aims at strengthening the basics and fundamental concepts of the subject. Thereafter, higher level concepts are taught that strengthens the analytical ability, concept interpretation skills and problem solving skills of the students. The entire Course plan for the session [Syllabus division, Sequencing of topics, Test-dates and Result preparation dates] are done in advance. We give utmost importance to "Timely Completion of Course" without compromising on the Syllabus. We have the one of the best course Tracking Team. The Course is comprehensively designed in a way that a Student gets equipped to perform well in School/BOARD & Competitive Examinations.

## STUDY MATERIAL

A well-researched and Exhaustive Study Material has been prepared by our esteemed team of Faculty members. Our Study Materials are pattern proof Courseware. Study Materials are also provided in digital format on ME-DIGITAL App.

### (A) Special features of Study Material for ENGINEERING STREAM

- Exhaustive Theory (Concept Boosters):** The theory comprises of all the basic and fundamental concepts topic-wise followed by solved illustrations.
- Daily Practice Problem (DPP):** It is a set of questions incorporated within each topic in the study material. It provides a strong foundation to understand the concepts and must be solved and revised regularly.
- Multiple Exercises:** The Study Material has separate section of exercises for JEE MAIN, JEE ADVANCED, previous year's questions asked in JEE MAIN/JEE ADVANCED & Subjective questions section.
- Mentors Eduserv Rank Improvement Package [MERIP]:** MERIP for JEE MAIN (Containing 2400+ challenging problems on JEE MAIN Pattern), MERIP for JEE ADVANCED (Containing 1800+ challenging problems on JEE ADVANCED Pattern).

### (B) Special features of Study Material for MEDICAL STREAM

- Exhaustive Theory (Concept Boosters):** The theory comprises of all the basic and fundamental concepts topic-wise followed by solved illustrations.
- Daily Practice Problem (DPP):** It is a set of questions incorporated within each topic in the study material. It provides a strong foundation to understand the concepts and must be solved and revised regularly.
- Multiple Exercises:** The Study Material has separate section of exercises for NEET along with previous year's questions asked in NEET.
- Mentors Eduserv Rank Improvement Package [MERIP]:** MERIP for NEET (Containing 3500+ challenging problems on NEET (Pattern)).

\*We are aware that the NTSE has been suspended since 2020-2021 but may resume in the future. This is why Mentors Eduserv continues to prepare students for NTSE. Additionally, NTSE preparation enhances critical thinking, problem-solving, and a deep understanding of Mathematics and Science, offering significant benefits for competitive exams like JEE and NEET.

# FORMULA OF NURTURE

## (C) **Special features of regular Study Materials for FOUNDATION STREAM (Class 6, 7, 8, 9 & 10) students are as follows:**

Students are provided regular study materials for Mathematics, Physics, Chemistry & Biology. In addition, students are also provided classes & study materials for Mental Ability & Social Studies as per the National Talent Search Examination (NTSE\*) Syllabus.

- **Exhaustive Theory** (Concept Boosters): The theory comprises of all the basic and fundamental concepts topic-wise followed by solved illustrations.
- Some higher level concepts (other than NCERT syllabus) are also incorporated.
- **Daily Practice Problem (DPP)**: It is a set of questions incorporated within each topic in the study material. It provides a strong foundation to understand the concepts and must be solved and revised regularly.
- NCERT Exercise.
- Exercises based on future competitive examinations containing questions based on JEE (MAIN & ADVANCED) / NEET pattern. These exercises contains single correct type multiple choice questions, multiple correct type multiple choice questions, passage type questions, column-matching type questions, assertion-reason type questions & integer type questions.

**Exclusive Booklet for NTSE\***: A separate NTSE Booklet is provided to the students containing summarized theory and exercises. There are 2 types of exercises, one containing questions based on NTSE pattern while the other containing previous year's NTSE questions. Students are provided the NTSE booklets for Mathematics, Science (Physics, Chemistry, Biology), Mental Ability & S.ST.

**Exclusive Booklets for Junior Science OLYMPIAD & Mathematics OLYMPIAD (conducted by HBCSE)**: A separate OLYMPIAD Booklet are provided to the students containing summarized theory and exercises. There are 2 types of exercises, one containing questions based on Junior Science OLYMPIAD and Mathematics OLYMPIAD pattern while the other containing previous year's Junior Science OLYMPIAD and Mathematics OLYMPIAD questions.

**Note :** Special subject - wise assignments are also provided after course completion for School/Board exam preparation.

## TESTING TOOLS

### (A) ENGINEERING & MEDICAL STREAM

#### (i) **WEEKLY TEST**

Weekly tests are conducted on JEE MAIN & JEE ADVANCED pattern for Engineering Stream / NEET pattern for Medical Stream for Achiever Batch, Star Batch and some selected students from other batches. Test is also provided in online CBT/HBT mode on ME-DIGITAL App.

#### (ii) **PROGRESS TEST (all batches)**

It is a progressive test conducted on the JEE MAIN and JEE ADVANCED pattern for Engineering Stream and NEET pattern for Medical Stream. These tests will be conducted after every 2 to 3 weeks. The syllabus for every progress test will include 70% of course from the current topic and 30% of course from the previously completed topics. This helps a student remain focused not only in the current topics but also constantly carry out revision of the previous completed topics. Test is also provided in online CBT/HBT mode for JEE aspirants & HBT mode for NEET aspirants on ME-DIGITAL App.

#### (iii) **PHASE TEST (all batches)**

After every 2-3 months, a phase test is conducted on the completed topics of the course. The pattern of the phase tests will be similar to the JEE MAIN and JEE ADVANCED pattern for Engineering stream and NEET pattern for Medical Stream. Test is also provided in online CBT/HBT mode for JEE aspirants & HBT mode for NEET aspirants on ME-DIGITAL App.

#### (iv) **Science & Math OLYMPIADS Test Series** (only to those students who are interested for olympiad exams & fill the form of these exams).

**(v) ASSISTANCE FOR BOARD EXAM (For 12th Board Aspirants)** : For Admission to Undergraduate Engineering Programs at NITs, IIITs and Other Centrally Funded and participating State Governments Technical Institutions, Class 12<sup>th</sup> Board marks will be a crucial parameter for determining the eligibility criteria for admission. To qualify for admission, a GEN/OBC category student has to be in top 20 percentile or have atleast 75% Marks and a SC/ST category student should have 65% Marks in his/her respective Board. However, Class 12 score will not be a factor for determining rankings in JEE MAIN/JEE ADV. For Medical aspirants too, a good performance in Board Exam is very important and cannot be ignored. Hence, realizing the importance of Board's marks we emphasize upon the Board Curriculum also.

(a) **Study Material for BOARD EXAM** : A special Study Package for Boards is also provided which contains previous 10 Year's Board Exams Paper with solutions.

(b) **Classes for English and 5th Subject as per BOARD Curriculum** : We also provide the 12th studying students additional classes of English & 5th Subject after the completion of syllabus of Physics, Chemistry and Mathematics/Biology.

(c) **BOARD Pattern Subjective Tests** : We conduct Board Pattern tests periodically for the 12th appearing students which helps a student to give a good performance in the Board Exams.

\*We are aware that the NTSE has been suspended since 2020-2021 but may resume in the future. This is why Mentors Eduserv continues to prepare students for NTSE. Additionally, NTSE preparation enhances critical thinking, problem-solving, and a deep understanding of Mathematics and Science, offering significant benefits for competitive exams like JEE and NEET.

## (B) FOUNDATION STREAM (Class 6th, 7th, 8th, 9th & 10th Students):

- (i) **FORTNIGHTLY TEST:** Fortnightly tests are conducted fortnightly on NTSE & NSEJS OLYMPIAD pattern for Achiever Batch, Star Batch and some selected students from other batches.
- (ii) **PROGRESS TEST (all batches):** Progress tests are conducted after every 2 to 3 weeks. These tests contain Multiple choice questions (MCQ) from Math, Science, S.ST, Mental ability & English on School/Board pattern. The syllabus for every progress test will include 70% of course from the current topic and 30% of course from the previously completed topics. This helps a student remain focused not only in the current topics but also constantly carry out revision of the previous completed topics.
- (iii) **PHASE TEST (all batches):** After every 2-3 months, a phase test is conducted on the completed topics of the course. These tests contain Multiple choice questions (MCQ) from Math, Science, S.ST, Mental ability & English on NTSE/NSEJS Olympiads pattern.
- (iv) **For Students Aspiring for NTSE\*, MATH & SCIENCE OLYMPIADS:** NTSE Test Series (only to Class 10 students) + Science & Math OLYMPIADS Test Series (only to Class 8, 9 & 10 students).
- (v) **ASSISTANCE FOR SCHOOL/BOARD EXAM:** We conduct School/Board Pattern subjective tests on School/Board Pattern periodically which helps the students to give a good performance in the School / Board Exams.

## SPECIAL DOUBT CLEARING CELL (SDCC)

### OFFLINE DOUBT CLEARING

- (i) For Achiever's Batch / Star Batch Students, Special doubt clearing facility is provided (Refer Page No. 28-30).
- (ii) (a) Mentors Eduserv provides an effective doubt clearing facility to the students from 10:00 AM to 6:00 PM (for 6 days a week). In the doubt clearing session, a student can ask doubts from any text books related to their subjects. Our executive remains available throughout to monitor the students and keep record of the students coming for SDCC. We also take feedback from the students in a prescribed format and our Executive ensures that all the doubts of a student have been cleared.  
(b) **For Engineering & Medical Stream (Additional SDCC):** Additional Doubt Classes preferably by Batch teachers is also being provided.
- (iii) (a) **For Class 6th, 7th, 8th, 9th & 10th Students (Special SDCC):** 03:30 PM to 04:20 PM (on the day of classes).  
(b) But, students can also avail SDCC facility from 10:00 AM to 6:00 PM (daily for 6 days a week) for their doubt clearance (refer to point ii-a).

### ONLINE DOUBT CLEARING

The Doubt Forum on the ME-Digital app allows students to submit doubts by sending text or images of their questions or concepts. Subject teachers provide clear, step-by-step solutions promptly, with doubts categorized by subject for efficient handling. Students can track their query status, and resolved doubts are stored in a searchable repository, creating a valuable knowledge bank. The platform ensures prompt responses, enhancing learning efficiency and engagement.

## RESHUFFLING / RESTRUCTURING OF BATCHES

It is difficult to train students of different level in same batch. Based on student's performance in progress tests and phase tests, the reshuffling/restructuring of students is done. The top performer students are promoted to Achiever Batch. The next level of students are kept in Star Batch. Students giving performance next to Achiever & Star Batch students are kept in the privileged group. All the other students are kept in other batches.

Although we keep the students in different types of batches, but we keep uniform teaching and services like classroom study material, progress test, phase test, All India Test Series (MEAITS), Rank Improvement Package (MERIP) etc. same for all types of batches. Many of our teachers take classes at all centres and the teachers permanently posted at some centres are of similar expertise. The teachers are provided chapter-wise "Lecture Notes" comprising of all the theories in the chapter, some illustrations followed by some examples (Numericals) etc. The teachers are instructed that, this is the minimum content which is to be taught in all the Batches. After teaching the content of lecture notes, the teacher goes in further depth of the subject with additional practice of problems depending upon the level of Batch.

In Achiever & Star Batch, course is covered at faster pace without compromising the syllabus content. Additional assignments & additional test (Weekly Test etc.) are provided to students of Achiever & Star Batch.

Students in privileged group are also given weekly tests & assignments (which are provided to the Achiever Batch and Star Batch students). If any student shows great potential and perform outstanding in the weekly tests, we promote such students from their current batch to Achiever & Star Batch.

At Mentors Eduserv, each student is special and we provide special care to all types of student. For the bright students we have the concept of Achiever Batch & Star Batch. For average students scoring below 30% we will provide additional classes to these students topic wise & subject wise to make them conceptually strong and enhance their performance.

Due to this uniform care of students, we get good results from our all type of batches (Achiever, Star & Normal batches) in various Competitive Examinations like JEE (MAIN & ADV.), NEET, NTSE & OLYMPIADS.

# FORMULA OF NURTURE

## HELP SESSION

- **Offline Help Session Facility:** After your admission, you become a part of the Mentors Eduserv family. We are always available to understand your needs and take care of it. For this, we run the 'Help Session' from 11:00 AM to 06:00 PM for 6 days a week. This is a good platform where the students and their parents can report their needs during the course of study and get a solution for it. Help Session facility is provided at each centre.
- **Online Help Session Facility:** It is also provided to the students from 10:00 AM to 07:00 PM for 7 days a week through call.

## PARENT - TEACHER MEETING

- We organize Parent Teacher Meeting for interaction of the Parents & Students with our Teachers. The objective of this meeting is to discuss the student's performance here at Mentors Eduserv and also share some of our new initiatives planned for the student's bright future. Parental care also plays a great role in student's future success. It is a great platform for the parents to share their valuable feedbacks/inputs with us and also to seek clarifications. These parent teacher meetings play a very important role in the success of students.

## FEEDBACK CELL

- We keep proper monitoring on teaching, doubt clearance and all the other facilities provided by the management to the students through detailed written feedback which is taken by our feedback team. This feedback is very important and useful in creating maximum satisfaction among the students.

## MOTIVATIONAL WORKSHOPS

- To know more about motivational workshop, please refer to page 34.

## TRANSPORT

- For Achiever & Star Batch Students, we provide Transport Facility from all over Patna to our Achiever & Star Campus.
- For Normal Batch Students, we provide Transport Facility to Students from all over Patna to our Centres.

## HOSTEL

- For Achiever & Star Batch Students, we have Achiever & Star Campus (Please refer page 26).
- For Normal Batch Students, we provide Hostel facility, Separate for Boys & Girls near by our each Centre.

## SCHOOL ADMISSION FACILITY

- We also provide School Admission Facility.

\*We are aware that the NTSE has been suspended since 2020-2021 but may resume in the future. This is why Mentors Eduserv continues to prepare students for NTSE. Additionally, NTSE preparation enhances critical thinking, problem-solving, and a deep understanding of Mathematics and Science, offering significant benefits for competitive exams like JEE and NEET.

We provide all the facilities written in our "Formula of Nurture". But we always deliver more than our commitments.

## MENTORS EDUSERV ALL INDIA TEST SERIES [MEAITS]

**FOR 12TH STUDYING & 12TH PASS STUDENTS ASPIRING FOR JEE (MAIN & ADVANCED) / NEET**

Keeping up with the trend of providing best testing tools and to augment your efforts, Mentors Eduserv conducts MENTORS EDUSERV ALL INDIA TEST SERIES (MEAITS) for JEE (MAIN & ADVANCED)/NEET. This test series pattern is based on the latest JEE MAIN/JEE ADV./NEET Pattern. The test series tests the comprehensive and analytical ability of the students and also gives them valuable practice for JEE MAIN/JEE ADV./NEET Examination. JEE MAIN is conducted by National Testing Agency (NTA) in Online Computer Based Test (CBT) mode twice a year. JEE ADV. is also conducted in Online Computer Based Test (CBT) mode. NEET is now conducted as single medical entrance exam by National Testing Agency (NTA) in Offline (pen and paper) mode. Mentors Eduserv is providing one of the best online/offline testing tools to the students keeping in mind the examination mode of JEE MAIN, JEE ADV. and NEET.

### **SALIENT FEATURES OF MEAITS :**

1. MEAITS will ensure detailed and comprehensive coverage of each topic through Unit Tests/Part Tests.
2. MEAITS also offers Full Tests in addition to Unit Tests/Part Tests in order to provide real-time JEE/NEET experience to the students.
3. The questions in MEAITS will be very genuine, novel and relevant as per the latest JEE/NEET syllabus. Questions of MEAITS have been designed to analyze conceptual strengths, subject awareness, novelty of thought and intelligence quotient of a student.
4. MEAITS will ensure a sure-shot path to JEE/NEET with Good Rank, if a student sincerely follows the prescribed schedule of MEAITS and tries to grasp each topic analytically and comprehensively before each Unit Tests/Part Test & Full Test.
5. All the tests of MEAITS have been framed by nationally acclaimed experienced gurus of Mentors Eduserv keeping in mind the latest trend of JEE/NEET.

### **MEAITS FOR JEE (MAIN & ADVANCED)**

- **3 PART TESTS**  
3 PT having  $(3 \times 1 \text{ MAIN Paper} + 3 \times 1 \text{ ADV. Papers}) = 6 \text{ Papers}$
- **17 FULL TESTS**  
17 FT having  $(10 \times 1 \text{ MAIN Paper} + 7 \times 2 \text{ ADV. Papers}) = 24 \text{ Papers}$   
Total No. of Papers =  $(6 + 24) = 30 \text{ Papers}$
- **TOPIC TESTS**  
Class 11<sup>th</sup> + 12<sup>th</sup> = 81 Topics

### **MEAITS FOR NEET**

- **6/8 UNIT TESTS**  
6/8 UT having  $(6/8 \times 1 \text{ NEET Paper}) = 6/8 \text{ Papers}$
- **2 PART TESTS**  
2 PT having  $(2 \times 1 \text{ NEET Paper}) = 2 \text{ Papers}$
- **9 FULL TESTS**  
9 FT having  $(9 \times 1 \text{ NEET Paper}) = 9 \text{ Papers}$   
Total No. of Papers =  $(6/8 + 2 + 9) = 17/19 \text{ Papers}$
- **TOPIC TESTS**  
Class 11<sup>th</sup> + 12<sup>th</sup> = 85 Topics

**NOTE:** 1. Topic Tests for all topics of Class 11th & 12th are also provided to check the preparedness in each topic.  
2. No. of Test in Test Series may vary year to year.

### **MEAITS TEST CENTRES**

Patna, Bhagalpur, Saharsa, Gaya, Purnea, Muzaffarpur, Ranchi, Bokaro, Jamshedpur, Dhanbad, Bhubaneswar, Chandigarh, Delhi, Lucknow, Kanpur, Varanasi, Hyderabad, Mumbai, Bhilai, Kota etc.

**NOTE:** Mentors Eduserv reserves the right to change or cancel any Test Centre without any prior notice

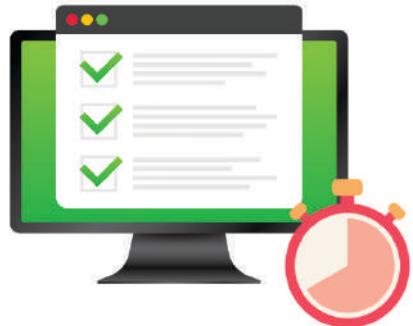

# **FORMULA OF NURTURE**

## **(MENTORS EDUSERV ONLINE TESTING PLATFORM)**

JEE MAIN is conducted by National Testing Agency (NTA) in Online Computer Based Test (CBT) mode twice in a year. JEE ADVANCED is also conducted in Online Computer Based Test (CBT) mode. All our tests for JEE aspirants are conducted in online mode.

In Medical entrance exam, NEET is conducted by National Testing Agency (NTA) as single medical entrance exam in Offline OMR based mode. We conduct all our NEET pattern tests in offline mode but all the tests are available online also.

Mentors Eduserv is providing one of the best online testing platform to the students enabling them to practice in an environment similar to the real entrance exam.

### **MENTORS EDUSERV IS PROVIDING 2 TYPES OF ONLINE TESTING OPTIONS TO THE STUDENTS**

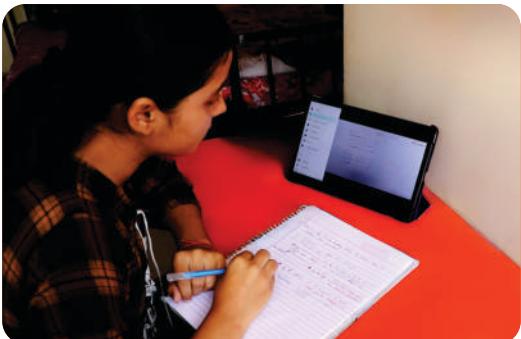

#### **ONLINE COMPUTER BASED TEST (CBT) AT MENTORS EDUSERV COMPUTER CENTRES [FOR JEE MAIN / JEE ADV. EXAM]**

- This computer based test enable the students to practice in an environment similar to the real JEE MAIN / JEE ADV. Exam.
- One instructor / technician is provided per 30 students at each test centre.
- CBT is a server based examination. Thus in case of power failures or any other technical issues, the examination will begin from the same time & same question where the student had left it.
- CBT is a time bound test. It will be within specified time.

Actual Photograph of Mentors Eduserv Computer Lab

#### **ONLINE COMPUTER BASED TEST AT HOME (HBT) [FOR JEE MAIN , JEE ADV. & NEET EXAM]**

- Students can appear for this computer based test at home "via a link" through their smartphone, tablet, PC etc. & experience a simulated environment similar to real JEE MAIN & JEE ADV. Exam. NEET pattern tests are also available in online mode.
- All students enrolling for HBT are provided with a login id & password which is activated on the scheduled test date.
- After the link is activated on the scheduled test date, it will remain open till specified time period only.
- HBT is also a time bound test. It will be within specified time.

Students can see the result of top performers in the test

Fig.(vii)							
Score Overview		Section wise		Topic wise		Question wise	Compare with Toppers
PHYSICS		CHEMISTRY		MATHS			Solution
Q. What is the angle between $\vec{A}$ and the resultant of $(\vec{A}+\vec{B})$ and $(\vec{A}-\vec{B})$ ?							
(A) 0°							
(B) $\tan^{-1}\left(\frac{A}{B}\right)$							
(C) $\tan^{-1}\left(\frac{B}{A}\right)$							
(D) $\tan^{-1}\left(\frac{A-B}{A+B}\right)$							
Correct Answer : A	Your Answer :	A					
<b>Solution :</b>							
$(\vec{A}+\vec{B}) + (\vec{A}-\vec{B}) = 2\vec{A}$							
and $2\vec{A}$ is in direction of $\vec{A}$							
Hence, required angle = 0°							

# FORMULA OF NURTURE - DIGITAL FACILITIES

## DIGITAL BOARD IN OFFLINE CLASSES

The use of digital boards in offline classrooms enhances learning by enabling more interactive teaching, integrating multimedia resources, and catering to diverse learning styles. This approach makes lessons more engaging and aids in the clear visualization of complex concepts.

## LIVE INTERACTIVE CLASSES (TWO WAY)

Our two-way live interactive online classes provide real-time doubt resolution, personalized learning, and instant feedback, keeping students engaged through live chats and Q&A while offering high-quality education from anywhere.

## ACCESS CLASS RECORDINGS

The Class Recording feature ensures that every class is recorded and made available to students. This allows them to revisit lessons for better understanding, catch up on missed sessions, and revise concepts anytime, enhancing flexibility and learning efficiency.

## ACCESS CLASS NOTES PDF

Hand written Class notes of teacher in PDF format helps students review and revise effectively by offering accurate and well-structured content. It ensures easy access, eliminates the risk of missing important points, and supports self-paced learning.

## ACCESS DIGITAL LIBRARY

The Digital Library provides access to study materials and workbooks, allowing students to read anytime on mobile, tablet, or PC for seamless learning on the go.

## VIDEO SOLUTIONS

Video Solutions of Each & Every Question of DPPs and Exercises of Study Material & Workbook.

## ONLINE TESTS

The ME-Digital app offers online tests with detailed micro-level performance analysis. Students receive insights on strengths, weaknesses, time management in exams, and accuracy, helping them focus on improvement areas and enhance their preparation.

## ONLINE DOUBT FORUM

Students can submit doubts via text or images, and subject teachers provide prompt solutions. Resolved queries are stored in a searchable repository for easy access.

# MENTORS EDUSERV ACHIEVER & STAR CAMPUS (AT PATNA)

FOR STUDENTS IN CLASS 8, 9, 10, 11+12, 12 & 12 PASS ASPIRING FOR JEE/NEET/OLYMPIADS

## SALIENT FEATURES OF ACHIEVER BATCH & STAR BATCH

- **Expert Faculty Team with Experience in Producing Top Rankers:** At Mentors Eduserv's Achiever and Star Campus, students receive the best possible guidance aimed at securing top ranks in JEE and NEET. Our expert faculty team for Achiever and Star batches has a proven track record of producing top ranks in JEE/NEET. The overall mentoring of students is done under the leadership of our director, Mr. Anand Jaiswal, the Physics Guru behind AIR 1, 2, 3, 4, and 8 in IIT-JEE.
- **Study Materials/Workbooks:** Well-researched study materials and comprehensive workbooks are provided to students to ensure thorough preparation. (Please refer to pages 17 for details.)
- **Teaching Methodology:** To understand our teaching methodology please refer to page 17.
- **Separate Campus (Achiever / Star):** We have dedicated campuses for the Engineering Divisions, catering to JEE aspirants, and the Medical Division, catering to NEET aspirants. Additionally, separate hostels are available for boys and girls.
- **Batch strength** We keep maximum 25 students in Achiever Batch and maximum 40 students in Star Batch in a separate building with residential facilities.
- **Study schedule:** A well-researched and proven study schedule is implemented, guiding students from 7:30 AM to 11:00 PM. This schedule includes classroom sessions, supervised self-study time, and other structured learning activities. (Please refer to the timetable on the following pages 28-30)
- **Supervised Self-Study & Offline Doubt Session:** To encourage effective self-study, we provide dedicated self-study space to students. During supervised self-study sessions, expert subject teachers are available to clear doubts immediately, ensuring students' understanding of concepts. (Please refer to the timetable on the following pages 28-30)
- **Online Doubt Forum:** To know about our online doubt forum please refer to page 25.
- **Testing System:** We have a unique Testing System which includes Weekly Tests/Fortnightly Tests, Progress Tests, Phase Tests & All India Test Series (MEAITS) and there are Computer labs in the Achiever/Star Campus for Online Tests conduction.
- **Booster Tests:** After course completion we conduct booster tests focusing on selected topics. These topics are chosen based on students' past performance in the Achiever and Star Batches. We provide additional tests to enhance preparation.
- **Error report making:** We motivate students to prepare an error report after each examination including the reasons for their mistakes so that our faculty can counsel them to improve their performance.
- **Test discussion:** We conduct comprehensive discussions after each test to analyze performance and clarify doubts.
- **Digital Facilities:** Advanced digital facilities are available to support students' learning. (Refer to the relevant section for more details.)
- **Assignments:** We design special assignments based on micro-level performance analysis of each test to address individual learning gaps effectively.
- **Reshuffling/Restructuring:** We do batch reshuffling and restructuring are done periodically to ensure optimal learning environments for all students. (Refer to page 19 for details.)
- **Early Course Completion:** Please refer page (28-30) according to respective class.
- **Revision:** We provide structured and monitored revision schedule, along with regular revision tests to reinforce learning.
- **Motivation and Regular Interaction:** Motivational sessions and regular interactions are conducted to keep students focused, sincere, and proactive in their studies. (Please refer to page 34 for further information.)
- **Help Session (in person) :** We are always available to understand your needs and take care of it. For this, we run the offline 'Help Session' from 11:00 AM to 06:00 PM for 6 days a week.
- **Online Help Session:** An online help session facility is available for non-residential and residential students from 10:00 AM to 7:00 PM seven days a week. For residential students, online help is available 24x7 in case of emergencies.
- **Parent Teacher Meeting (PTM) :** Regular PTMs are organized to discuss students' performance and progress with their parents and students. These meetings provide insights into possible areas of improvement. (Please refer to page 20 for details.)
- **Canteen:** We provide healthy and hygienic food options in our canteen to ensure students' well-being.
- **Recreational activities:** We conduct the recreational activities, including yoga, indoor games, and outdoor visits to help students relax and maintain a healthy balance.
- **School Admission:** We provide School Admission facility.
- **Transport Facility:** We provide transport facility to students enrolled in our Achiever & Star Batch from all over Patna.
- **Feedback Cell:** Written feedback is taken on regular interval for monitoring on teaching, doubt clearance and all the other facilities provided by the management to the students. This feedback is very important and useful in creating maximum satisfaction among the students.

## AIMS & OBJECTIVE

- Scoring high marks in School Examinations. Selection in NTSE\*, JUNIOR SCIENCE OLYMPIAD & MATHEMATICAL OLYMPIAD (optional) Solid Foundation for grabbing Top Ranks in JEE, NEET & OLYMPIADS.

## COURSE DURATION & COURSE COMPLETION

### For students in Class 8 (5 Year Program):

**Course Completion:** Full Class 8 with some topic of higher class : Oct. 2025, **Full Class 9 with some topic of higher class :** Oct. 2026, **Full Class 10 with some topic of higher class :** Aug./Sep. 2027, **Full Class 11:** Oct./Nov. 2028, **Full Class 12:** Aug./Sep. 2029 [After Course Completion: Monitored Revision Schedule with Revision Tests + Revision Classes + Test Series with discussion (Sep./Oct. 2029 till JEE ADV./NEET 2030)]

### For students in Class 9 (4 Year Program):

**Course Completion:** Full Class 9 with some topic of higher class : Oct. 2025. **Full Class 10 with some topic of higher class :** Aug./Sep. 2026, **Full Class 11:** Oct./Nov. 2027, **Full Class 12:** Aug./Sep. 2028 [After Course Completion: Monitored Revision Schedule with Revision Tests + Revision Classes + Test Series with discussion (Sep./Oct. 2028 till JEE ADV./NEET 2029)]

### For students in Class 10 (3 Year Program):

**Course Completion:** Full Class 10 with some topic of higher class : Oct. 2025, **Full Class 11:** Oct./Nov. 2026, **Full Class 12:** Aug./Sep. 2027 [After Course Completion: Monitored Revision Schedule with Revision Tests + Revision Classes + Test Series with discussion (Sep./Oct. 2027 till JEE ADV./NEET 2028)]

## NOTE

- For Students in Achiever Campus there are 3 possible Schedules depending on choice of the Student :
  - Complete residential facility at Achiever Campus with 24 hours supervision.
  - For non-residential students, 7:30 AM to 7:50 PM Schedule (optional).
  - For School going non-residential students, 4:30 PM to 7:50 PM Schedule during School days and 7:30 AM to 7:50 PM schedule on Holidays (optional).

\*We are aware that the NTSE has been suspended since 2020-2021 but may resume in the future. This is why Mentors Eduserv continues to prepare students for NTSE. Additionally, NTSE preparation enhances critical thinking, problem-solving, and a deep understanding of Mathematics and Science, offering significant benefits for competitive exams like JEE and NEET.

# MENTORS EDUSERV ACHIEVER & STAR CAMPUS (AT PATNA)

FOR STUDENTS IN CLASS 11 & 12 ASPIRING FOR JEE/NEET

# MOTIVATIONAL WORKSHOPS / SEMINARS

Motivation is a continuous process which is done by our Director, Mr. Anand Jaiswal and the teachers regularly in the classes. This is one of the reasons why we get good results from all types of programs and from all type of batches. In addition to this, we also conduct motivational workshops/seminars.

These workshops/seminars are conducted by our Director, Mr. Anand Jaiswal and renowned expert gurus of top rankers in JEE MAIN, JEE ADVANCED and NEET Examinations. Through these workshops/seminars, we guide the students on important factors related to success in competitive examinations like Confidence Build-up, Time Management, Error Minimization Techniques, Improving Analytical Ability, Exam Temperament, Stress Management etc.
